Discover Minnesota

An exciting addition to this year's show! The Discover Minnesota area and the *Star Tribune* celebrate local artists, businesses, and organizations by sharing their stories and featuring new products and services. Look for the funky-yet-modern and sustainable line of outdoor furniture from Duluth-based **Loll Designs**. Located in Hall B.

Amount of days workers had to assemble the 2,000 square foot **Italian Villa** built exclusively for the Home & Garden ShowSM. The villa, which sits next to a real canal, features an all-home audio system that is controlled by an iPod, a state-of-the-art kitchen, and working, live appliances. It will be open every day of the show and is located in Hall D, Booth 2337.
