# Great Outdoors

Make the most of sun, birdsong and simple living in your yard and garden.

## 1. LOUNGE ACT

Crafted of FSC-certified eucalyptus, the adjustable Chesapeake Single Chaise includes a pullout tray. The Sunbrella cushion set is Greenguard-certified. Chaise and Sunbrella cushion set, \$748; potterybarn.com

## 2. SUNNY DISPOSITION

Soji Modern Solar Lanterns automatically come on at dusk and cast a warm glow—no electricity needed. Each is equipped with two amber LED lights, a solar panel and a rechargeable AAA battery. \$40; allsopgarden.com

## 3. TOPNOTCH TABLE

All of Loll's outdoor furniture—including the Satellite accent table—is manufactured in Duluth, Minnesota, using 100 percent recycled polyethylene. Available in eight colors (Green shown). \$189; lolldesigns.com

## 4. PITCH PERFECT

Using pieces of wood left over from furniture manufacturing, Heartwood makes each Mahogany Bird House by hand in Star, Mississippi. \$130; eheartwood.com
