Outdoor Furniture

for the Modern Lollygagger

eco

Made from 100% recycled poly, Loll furniture melds green sustainability, function, and form making it perfectly suitable for commercial applications. Loll products are designed to withstand the abuse of heavy commercial use while maintaining their aesthetic appeal over time with no maintenance. Whether you are designing an intimate backyard patio, poolside seating, or a modern roof top garden, Loll Designs is perfect to make your clients relax indefinitely. www.lolldesigns.com or call us at
